Re: Sauget Area Dump Sites

Dear Mr. Dunn:

This letter will confirm our telephone conversation of November 8, 1985, concerning your on-going investigation of hazardous waste dump sites in Sauget, Illinois. As I informed you, we will make our records on these sites available for review by you or your representatives at our Chicago offices. As I noted, certain of these records are enforcement investigative reports that would be exempt from release to the public under the Freedom of Information Act. As we agreed, we will resolve issues related to such documents after you or your representatives identify which documents you would like to copy to add to Illinois files. Please contact me at (312) 886-4245 if we can be of further assistance in addressing Sauget area problems.

Sincerely,

*Thomas W. Daggett*
